Die-die-die	Lord Kabewm

Closet full of secrets and skeletons awakes, but nothing's true	Limeboy
I used to own a castle, now it's boxes that I have to move	Sam
Right here in the darkness, there's nothing left for me to do	BananaLord
It's easier to run away, but today, today we got to	Strike
Cast the shadows out from sight	Jack
A final stand, a shouting cry	Weird
All the wrongs now turned to right	Finder
So fight the past, take back the night	CrunchyBot
And call upon a torch tonight	Cooldoom
To bring out all the ghosts to light	Pruz
Because at last we have to go	Kavinkul
It's time to take back the night	Blanana
To take back the night	River
Bridges burned and broken on different sides, we start anew	Lord Kabewm

I used to rule the world	Limeboy
Chunks would load when I gave the word	Sam
Now every night I go stow away	BananaLord
Hide from the mobs I used to slay	Strike
They once were terrified	Jack
Every time I looked into their eyes	Weird
Villagers would cheer my way	Finder
For a hero I was, that's what they'd say	CrunchyBot
One minute we had it all	Cooldoom
Next our world began to fall	Pruz
Away from all that it had once become	Kavinkul
They all cried for my help, but I stood there numb	Blanana
I gaze off into the boundless skyline	River
Noteblock choirs playing in the sunshine	Lord Kabewm
Turn 'round pick up my sword and wield	Legend
The blade that once forced evil mobs to yield	RockDood
And hope one day that this chaos and	Kat
Destruction turns for the better	Timwi
Never a bow in hand	Red
And that was when I ruled the land	Emik
It was the creepers and Skeletons	Limeboy
Blew down the doors and boxed us in	Sam
Arrows whizzing by like streaks of light	BananaLord
I tried all that I could to stay and fight	Strike
As the undead roamed the street	Jack
Families broken at my feet	Weird
Life itself suspended by a thread	Finder
Oh, why is it that I wasn't dead	CrunchyBot
