

## On the Subject of Mortal Kombat

*Test your might!*

The module consists of two screens and a gamepad. The larger screen shows your character, the smaller shows your opponent.

To disarm the module, you must perform three attacks and a fatality. Use the tables below to determine your character's attacks and the order in which they should be performed. Fatalities should not be performed until three successful attacks have been carried out. To determine the fatality, start at the top of the list and use the first one where the rule applies.

Entering the incorrect button combination during the initial three attacks will cause a strike and reset the successful attacks to 0. It may also reset your opponent's character. Entering the incorrect button combination during the fatality stage will cause a strike but will not reset your previous attacks or your opponent's character.

## Characters

Characters that you may encounter are listed below.

Name	Profile	Image
Johnny Cage	Johnny Cage was a struggling Hollywood action movie star who wanted to get his fame back. He has always been a brave and loyal warrior for Earthrealm.	
Kano	As a mercenary and leader of the international crime cartel known as the Black Dragon, Kano rises beyond the level of mere brutality by also being sly and cunning.	
Liu Kang	Liu Kang is one of Earthrealm's greatest warriors, having defeated many to prove his valour. He became champion after the first Mortal Kombat tournament.	
Raiden	Raiden is the eternal God of Thunder, protector of Earthrealm, and one of the most powerful characters in all of Mortal Kombat.	
Scorpion	Hanzo Hasashi, also known as Scorpion, is a resurrected ninja seeking vengeance against those responsible for the destruction of his clan.	
Sonya Blade	General of Earthrealm Special Forces, Sonya Blade is a stern, tough-as-nails General. A headstrong woman, she cares deeply about the lives of her comrades.	
Sub-Zero	Sub-Zero possesses incredible control over the element of ice. He can easily deep freeze opponents to the point of them becoming brittle enough to shatter into pieces.
