

On the Subject of Picking Flowers

If this module got updated, would that be a Flower Patch patch?

There are 15 flowers displayed on the module which can be shown in 8 colors: red [R], orange [O], yellow [Y], green [G], blue [B], indigo [I], violet [V] and white [W].

Look up the combination of flower colors you have below to figure out which flowers to press.

White is not used as a color in the table unless there are **NO OTHER COLORS**.

All flowers are numbered 1-15 in reading order.
